

eduKate and TASS® Parent Lounge Integration

Allow your parents to view their child's activities and results on-line

eduKate and TASS Parent Lounge integration means that it is now possible for your school to link your **Online Learning Management System** with your TASS.web **School Administration Software**.

This will enable your school to easily deliver information regarding student progress to parents via the internet.

Assessment Tasks

Parents can become much more involved in their child's learning program by gaining online access to the activities and tasks set by the teachers.

Access to Digital Resources

Parents will also have access to any digital resources which the teacher has attached to the activities in eduKate.

Progressive Assessment

Progressive results and comments entered by teachers in eduKate can now be made instantly available to parents.

This allows a parent to identify if their child is struggling in a certain subject during the term or semester, well before the final results are published.

Ecosystem Project	
Student Name McAlister, Emily (7A)	Date Completed Mon 02 Jun 2008 at 11:41 AM
TASS® Objectives	Result
Assignments	B
Content	A
Effort	C
Knowledge	A
Overall Grade	
74 %	
Comments	
Emily, That was a great effort and overall was an improvement from your last assignment. Your spelling still needs some work and I suggest that you do 30 minutes of spelling practice each night.	

edu'cate *u.t.* - to develop the faculties and powers of (a person) by teaching. - to send to school.
educa'tion *n.* - the act or process of educating a person. - the science or art of teaching.
edu'(K)ate *n.* an online learning system encompassing content management, delivery and assessment. - a collaborative learning environment.
